FREEDOM TO CREATE

CAMPAIGN  
FOR THE SECOND  
CENTURY

## CAMPAIGN NEWS: Winter 2012

**We are thrilled to announce that we have *surpassed* our \$13 million goal!** Thanks to the generosity of hundreds of contributors—including artists, patrons, foundations, and our board of directors—The Campaign for the Second Century is now complete.

Colony Hall has been beautifully updated, numerous Fellowships and Stipends have been endowed and awarded, and in the spring we will break ground for our new Library.

Exciting news! Thanks, to you!
